

American-Made
QUARTER-TURN VALVE
WITH SOFT-GRIP HANDLE

P-164
QUARTER-TURN
WALL HYDRANT

P-164 QUARTER-TURN WALL HYDRANT

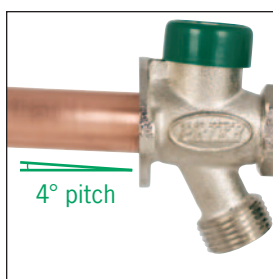

P-164D08

- Quarter-turn, American-made, easy opening, residential hydrant
- Large, soft-grip handle
- ASSE 1019-C and IAPMO/UPC-approved
- Anti-siphon vacuum breaker with back check valve
- Large integral brass flange with built-in drainage pitch
- Five full hose threads for solid garden hose connections
- Satin nickel plating maintains nice finish for life of product
- Solid brass body, valve stem cap, seat and stem ends for longer life
- Easily repairable compression seat stem using "OO" size seat washers, instead of fragile ceramic disks
- Recessed spout aligning lug for easier installation
- Eight different inlet options
- Twelve standard lengths and available in any custom size
- Patent pending
- Made in the USA

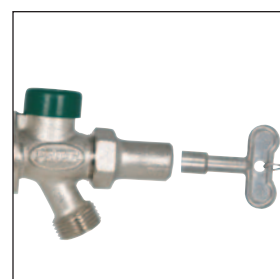

Easy opening, soft-grip, 1/4-turn valve.

Built-in angle for perfect drainage pitch.

Enclosed screw holes for easy installation.

Converts easily to vandal-proof loose key operation.
