Brass Ballcock

Mansfield Style 09 Series

Features

The 09 Ballcock combines the features of an economy brass Ballcock with quality to pass the tests of time. It features heavy red brass castings, seamless copper riser, longlife nylon valve seat, a smooth flat seating plunger and cup seal to prevent squirting. The compound lever action assures positive opening and closing at all pressures. The 09 Ballcock has no whine, whistling squealing or rattling. The 09 Ballcock is precision machined to operate dependably and positively. The 09 is the basis for copied products worldwide.

- Dependable and Quiet
- Low cost, high quality ballcock
- Longlife nylon valve seat
- Operates equally well at high or low pressures
- Heavy Red Brass Casting
- Cup Seal prevents squirting
- Seamless Copper riser pipe
