

Build With Purpose

533-LF Series Garden Valves

533 Series Lead Free Garden Valves

FEATURES

- Made from lead free brass and certified to NSF 372
- ASSE 1011 certified for garden valves with internal vacuum breaker only
- Solid brass operating stem
- Large unobstructed waterways for greater flow rates
- Cast metal handle assembly with brass mounting screw
- Green standard handle with red or blue options
- EPDM seals for longer wear life
- Available with added built-in protection from internal vacuum breaker and backflow preventer
- FPT inlet connections
- 3/4" garden hose connection outlet
- Solid brass fast-travel stem with ACME threads
- Each valve individually tested
- Angle of outlet prevents kinks in hose
