

# P-7000-31 Single Pedestal Jug Filler

## P-7000-31-XX Single Pedestal Jug Filler

Access water wherever you need it with this jug filler. The deep, rich Sky Blue standard color and scratch resistant finish make these showers an excellent choice for resorts, sports facilities, playgrounds and recreational areas. Jug fillers are designed to defy the elements, resist vandals and stand up to hard everyday use. All waterways are lead free.

## FEATURES

- All steel heavy-duty construction with welded and ground joints for a clean and tidy appearance
- Vandal resistant access plates for security and simple future maintenance
- Self closing, chrome plated lever handle with a flow rate of 3.0-3.5 GPM
- Anchor installed mounting plate comes standard, optional ground installed mounting plate (SMP-6) available as an option for installation assistance
- All flow paths are lead-free with reinforced stainless-steel tubing that comply with NSF-61 standards.
- In-line mesh screen Y strainer
- 1/2" Inlet stop valve for simple future maintenance.
- 1 1/4" IPS waste pipes included on each shower tower.
- Standard Sky Blue finish with optional colors available
- Custom color orders are non-cancellable and non-returnable
