

P-9000 Pet Drinking Fountain

P-9000-XX Pedestal Pet Drinking Fountain

The P-9000-XX pet fountain is great for resorts, parks, walking trails and any where pets are welcome. The deep, rich Woodland Green standard color, and scratch resistant finish, are designed to comply with pet needs and withstand the roughest conditions. Fountains are designed to defy the elements, resist vandals and stand up to hard use. Heavy-duty design and construction are made to stand up to the toughest environments. All waterways are lead free.

FEATURES

- All steel heavy-duty construction with welded and ground joints for a clean and tidy appearance
- Vandal resistant access plates for security and simple future maintenance
- Vandal resistant bubbler guard assures years of service
- Water pressure range of 30-80 PSI
- Anchor installed mounting plate comes standard, optional ground installed mounting plate (SMP-6) available as an option for installation assistance
- Recessed push button is manufactured from chrome plated brass for reliability and long wear life.
- Simple flow adjustment without dismantling of the fountain with a water flow of 0.5 GPM
- Fountain bowl is heavy duty 18 gauge stainless steel with brushed finish and vandal-resistant chrome plated brass strainer. A drain tool is included with each fountain
- All flow paths are lead-free with reinforced stainless-steel tubing that comply with NSF-61 standards.
