

# TRUE TEMP

## SOPHISTICATED

- Patented design; engineered for style and convenience
- Ergonomic, rubber grip handle
- Matte Black, Satin Nickel-Plated or Oil Rubbed Bronze body maintains attractive finish
- Equipped with a self-draining anti-siphon vacuum breaker and backflow check valve
- Solid brass body, valve stem cap, seat and stem ends

### TRUETEMP P-118

Bathe pets, wash vehicles, fill the hot tub, hose down the garage or siding, and more. The P-118 is equipped with a dial to set the preferred temperature and internal checks to prevent thermal migration. The P-118 provides year-round tempered water in areas subject to freezing temperatures.
